This boss is not too difficult. All trophies, except 1 for collectibles, are automatic account unlocks and cannot be lost. Two very easy and fast platinitums to add to your trophy !! Useful tips, tricks and guides: Hellblade: GuAa de trofeos de sacrificio de Senua realized Collect all the other trophies Win all the other trophies of Hellblade to unlock platinum (no DLC required). In the last phase, when the boss is sitting in the middle of the sand, you must let the enemies kill you. The game requires no skill at all. This will make him vulnerable and stop burning. The easiest way to buy digital games from other regions is with PSN cards. Collect all the Lorestones * Missable Trophy * The sacrifice of Hellblade Senua contains 44 collectable lorestones. All right, you've been walked through some dark places, mazes and swamps. To avoid any follow-up problems, it is strongly recommended that you pick them up again. The boss likes to throw projectiles at him from a distance. Notice different glyphs of appearance and some points between them. EscapA complete the automatic trophy of the history of Shard Challenge Labyrinth Shard, you can not miss. He always makes a jump attack or attack when he comes out of the dark. Each unique area or part of the story is divided by a point. There's a collectable tracker in the lorestones themselves. The areas are simply different in unique ways. It's good to jump a few feet to the enemies. You will have an overwhelmed sword that kills the greatest of enemies in one blow. "The collectible trophy is ruthless, though! So pay close attention" you activate all the lorestones on the first try. Otherwise, they simply spawn endlessly. "You need to be careful because the lorestones can be lost! If you progress Far away, you can't go back to some places. This is possible because it has a separate trophy set up for the EU and US versions. UU. He's rewarded for beating the endboss, which is an easy fight. Easy. Start burning, stop attacking and press R2 to use your vision. At the beginning of the game, take the left path to fight this boss (if it goes right, you will find SurTr God of Fire, but you will have to fight both anyway). For a full text guide, see the sacrifice of Hellblade Senua, all places of Lorestone, this is a sword stab. See where to buy "EU PSN Cards and US PSN Cards. UU. (Affiliate links). SurTr is the easiest boss in the game. That is, if there are 6 glyphs between two points, the chapter has 6 lorestones on it. There are 4 silver trophies ", you must complete them as part of the story (approximately in the middle of the game). Pay attention that you collect everything at the first opportunity. Winning Double Platinum Did you know that you can win two platinitums from this game? If you don't, the boss will appear as a shadow form and don't get hurt by your attacks. They have a bright glyph on them and are relatively easy to spot. There is no tramp free after the game and there is no chapter. The fight starts to come to the door for the first time the automatic trophy in history, you can not lose. Estimated Trophy Difficulty: 1/10 Approximate amount of time to platinum: 8 hours Unconnected Trophies: 15 (0, 5, 9, 1) Number of Missable Trophies: 1 - Stories of the North Do you have trouble affecting trophies? 1 No, you can do everything in F4 Easy Playthroughs Minimum: 1 Welcome to Hellblade: Senua's Sacrifice Trophy Guide! This is a very easy and short platinum that can be obtained at the lowest difficulty. Play through history and find the 44 Lorestone collectibles. This makes the boss vulnerable. When you have to look for Fenrir (he hides in the dark several times throughout the fight), you should prepare to dodge. The weak die in one blow. This will exhaust your sodoT sodoT .dadiruges ed esrenop arap etnemadipjAr x enoiserp .oleus le ne aeplog et iS .odaeuqolbse onitalp .se osE .etnemadipjAr yum The need to do is create a PSN account for the region" n that is missing (if you request an address " n, go to Google Maps and double-click anywhere). Activate your focusing ability (press R2 during combat when it's on) and then make the square combos 11 +. Anything is possible in a player. The trophy "The studies of the north" to find all the lorestones are missible! It's also the only one that doesn't automatically unlock history. Some attacks can be stopped with a timeout block (Press R2). You can chain together very long with this and kill one enemy after the other. Cure for the pest Complete the automatic trophy of the Shard Challenge story, you can't miss. I'm using the word "Chapter" vaguely here because there's no official cap. The source of darkness meets Heia for the first time in the trophy of the automatic history of the bridge, you can not miss. This battle takes place in a dark cave. On the mount, enter Helheim Automatic Story Trofy, you can not miss. After activating the stone you can move away. In addition, the game has different trophy lists for the EU and North American versions, which means you can win a very easy double platinum if you buy both versions. Step 1: beat the story and collect all the lorestones, there is only one step for this road map. The trophies are exactly the same, but you can play the other version" to win the trophies again. They're not really "places." During the fight, some smaller enemies generate. The dots represent the different caps/areas. Just play through the story and you unlock it. It is very slow and does not breed minions. Because their AOE jump attacks, they dodge, because their other attacks are dodged sideways. Illusion's master beats Valravav Tory Trophy you can't miss it. For this reason" I recommend that you back up the manual save games from time to time (" PS4 Settings> Application Saved Data" an application" ed ocit;Amotua oeugolbseD rtruS adiuqntxe atorreD .sotrem n ©Atse sodot euq atсах arbmoc al ed sefej sol artnoc abcuL .2 esaF .senotserol sol etnemaveun ravitca satisecen lapicnirp "Anem la selas o sereum is ,s;AmedA .ogeuf ed odaedor jAratse y jArallidorra es rtruS ahcul al ed osrucnart le nE .otnemom reiuqlauc ne ogeuj ed senoicpo sal ne datucifid al raibmac sedeup euq adreceR .)sadala±Aup ed adipjAr n'Aicanibmoc anu azilaer y etnaleda aicah atlas auneS ,etnematerroc azilaer es is(etnatsni la solratam arap olugn;Airt A eA olugn;Airt A eA A odardauC A eA odardauC A eA X le ecilitu evosed le omoc onorj naT .redrep edeup es on ,acit;Amotua airotsih ed oeforT rirneF atorreD tsaeb eht demaT .ratlaf edeup on ,egnellahC drahS ssendnilB acit;Amotua airotsih ed oeforT le etelpmOC soditnes sus ne eAfnOC .ratlaf edeup on ,citamotua aleh tnornOC elItaB lanjF airotsih ed oeforT IE .J2R anoiserp(euqofne ut ohcum rasu euq s;ArdneT .sabrut sus artnoc ol'As .omsim efefj le artnoc rahcul euq seneit A .)hgurhthyalp remirp le ne ozih euq ol ed etnerfid anur anu artseum euqrop(atneuc on euq ed semrofnj odibah ah atlaf euq ardeip al olos rop sav iS .redrep edeup es on ,oeforT acit;Amotua airotsih al ed lobrjA led rmarG racaS odarebil .rmarG .euqofne le ravitca orasecen se .ecercuso es allatnap al odnauC .solratelpmoc arap etabmoc ne rapicirap euq renet A on A y dadilbah anuqin nereuqer oN .osoredop orep ,otmel y edmarg sE .riteper y sodasep seuqata sod o onu rechah ogeul .aicnatsid atroc a seuqata azilitu olos y obol led ogimene narg nu se rirneF .otnemom reiuqlauc ne licjAf a olraibmac sedeup ogeuj ed senoicpo sal nE .jsoom sodot ed sobma artnoc rahcul euq s;Ardnet A orep .n'Aisull al ed soID nvarlaV noc A et A .adrenuqzi al a sav et is(efefj etse artnoc rahcul arap otcerroc onimac le amot .ogeuj led ozzeimoc iA .sodasep seuqata noc sadeuq et is A rojem A .ratlaf edeup on ,airotsih al ed ocit;Amotua oeforT sopreuc sol ed raM led rapacsE orerreuG history, you can't miss. He dodges sideways and almost always misses you. Everyone's on their way anyway, so play it safe and get them all back, otherwise you might miss out on it Phase 3: Let the enemies kill you. The fire doesneAAAt hurt you, so rush towards him and land some with heavy attacks from behind while he kneels. Remember to use R2 to trigger the focus ability. Use your focus (press R2) to activate them. Without your focus active you woncAAAt deal him damage. Dodge all his attacks, blocking usually gets you knocked to the ground. There are 3 phases: Phase 1: Fight the mobs until they are all dead. You do not have to listen to the lore. When they kill you the final ending cutscenes starts. During the last phase you must press R2 to use your vision and make the boss vulnerable. Even the 4 silver trophies for eAAAchallengesAAa are automatic story unlocks and all you really do in them is to walk around for a few minutes. Most of them are in plain sight. In case you do miss something you can copy back the save and doneAAAt have to replay everything. You can also dodge sideways to counter ValravneAAAs jump attacks and then attack with a few heavy attacks from behind. If you get knocked on the ground press X very quickly to get back up. Different Perspectives Complete the Tower Shard Challenge Automatic story trophy, cannot be missed. You must reach the next checkpoint alive to save the progress. A quick way to close the gap is to press X, which makes you dodge forward. Red glyphs are what youAAAre missing and white means you have found them. They are exactly what they sound like eAAAbig stones that provide additional lore (story info). You may also want to make backups of your save game from time to time (PS4 Settings > Application Saved Data Management). If you get stuck the Puzzles Guide has you covered. By default the game uses an eAAAutomaticeAAa difficulty mode, which scales to your performance. The focus also slows down time which makes it easier to dodge attacks and land more combos. The amount of lorestones collected does carry over to the second playthrough but the runes on the switch to. Land 1-2 Hits, Dodge, repeats. repeat.
